For project descriptions, visit: www.riseup.med.wayne.edu/projectdescriptions2015.php

SECTION III: PERSONAL STATEMENT

Please attach a **one page (maximum) personal statement** explaining why you would like to do an internship with the RISEUP program. If particular projects are of special interest, please let us know which one and include any other information that helps us to understand who you are, where you are coming from, your career goals, and your projected expectations from this experience.

SECTION IV: QUALIFICATIONS

In addition to a passion for a sustainable environment, we require the following qualifications:
Must be graduating no earlier than August, 2015; must be a US citizen of permanent resident.
Students from all colleges and universities are encouraged to apply; however, at least half the interns will be selected from applicants from small colleges or other institutions at which undergraduate research opportunities are relatively limited.

SECTION V: SUBMIT APPLICATION

Application deadline for summer programs is **FEBRUARY 1, 2015.**
Completed applications may be **SUBMITTED** one of two ways:
(1) via *email*: riseup@wayne.edu
or
(2) via *regular mail*:
RISEUP Program, Physiology Department 5374 Scott Hall; Wayne State University School of Medicine; 540 E. Canfield; Detroit, MI 48201-1928

Thank you for pursuing your passion for a sustainable environment, we look forward to reviewing your application.
